

Kevin Milner – Elected 2022

Webmaster 2009 – 2022

Joined 2005

Keven assumed the new role of Webmaster and streamlined the game day paperwork and spent a long period testing and recommending upgrades to the programmer in respect to the booking system over quite an extended period of time which has led to a much more user friendly & robust booking system.

The development of the match day file was the result of many hours of research and saved the Operations & Match personnel many hours of time.

Kevin also developed & was responsible for:

- Recording & auto update of the Golfer of the Year file
- Oversight & control of the Dropbox access for all Committee
- Control of the internal email system
- Oversight & control of the Administration functions of the website
